ment. Without health, all the talent, all
the genius, and all the ambition in the
world are worthless. A boy should be
taught that success in any walk of life, that
happiness, and life itself, are dependent
upon his care of his health.

When a man feels that he is losing his
health and vigor, when his cheeks no longer
glow, his step is no longer elastic and
the sparkle of health is no longer in his
eyes, he should work less, rest more and
resort to the right remedy to restore his
bodily vigor. Dr. Pierce's Golden Medical
Discovery is a natural medicine—a scientific
medicine. It does no violence to nature.
It works with and not against nature. It
promotes the natural processes of secretion
and excretion. It imparts vitality and
power to the whole system. It gives
plumpness and color to the cheeks, sparkle
to the eyes, steadiness to the nerves,
strength to the muscles and the animation
of health to the whole body. It makes the
appetite keen and hearty. It is the great
blood-maker, flesh-builder and nerve-tonic
and restorative. Medicine dealers sell it
and have absolutely nothing else "just
as good."

"I was afflicted with pimples and boils, and
running sores on face and neck," writes Robert
E. West, Esq., of No. 616 Galloway Ave., Colum-
bus, Ohio. "I took Dr. Pierce's Golden Medical
Discovery and 'Pleasant Pellets,' and was cured."
Constipation is the commonest beginning
and first cause of many serious diseases and
it should always be treated with Dr. Pierce's
Pleasant Pellets used in connection with the
"Discovery." These are the most perfect
natural laxatives and permanently cure.

Between the Feasts

While relaxing from turkey and plum
pudding Christmas dinners, read from
the new books of Kipling, Weir, Mitch-
ell, and Harding Davis; or listen to the
"Belle of Honolulu" or other breezy
pieces of music. The New Year should
be introduced to friends and lovers by a
dainty and suggestive calendar or book-
let. For these call at the up-to-date firm
of Cagwin & Noteware.

P. S. Toys for sale at greatly reduced
rates.

Chinese School in Reno.

For a few days our city will have an
additional educational department.
The Rev. F. V. Jones, pastor of the
Congregational Church, was requested
by several of the most important Chi-
nese in Reno to open a school in
China town and teach the rudiments of
an English education to ambitious Ori-
ental. After some deliberation the
minister expressed himself as favorable
to the enterprise. Consequently our
worthy pastor will soon be occupied in
teaching the celestial idea how to shoot
not firecrackers or cigar stumps, but
forcible sentences of United States
rhetoric into the ears of the people.—

Plata War Claims

Not heard of, the thousands of claims
upon the nation and a lot of Senator
Stewart, both recently the U. S. Senate
to the U. S. Court of Claims for settle-
ment.

All persons in any wise interested in
any of said claims are requested to send
reference to the U. S. Court of Claims,
who fully understand same and are de-
